## INDEPENDENT AUDITOR'S REPORT

The Board of Directors  
Sexual Trauma Awareness and Response Center

### Report on Financial Statements

#### *Opinion*

We have audited the accompanying financial statements of Sexual Trauma Awareness and Response Center (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Sexual Trauma Awareness and Response Center as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sexual Trauma Awareness and Response Center and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sexual Trauma Awareness and Response Center's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sexual Trauma Awareness and Response Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sexual Trauma Awareness and Response Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of compensation, benefits, and other payments to agency heads is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with Government Auditing Standards, we have also issued our report dated December 30, 2022, on our consideration of Sexual Trauma Awareness and Response Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Sexual Trauma Awareness and Response Center's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Sexual Trauma Awareness and Response Center's internal control over financial reporting and compliance.

*See notes to financial statements.*

**SEXUAL TRAUMA AWARENESS AND RESPONSE CENTER**  
**NOTES TO FINANCIAL STATEMENTS**

*June 30, 2022*

**A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Nature of activities*

The Sexual Trauma Awareness and Response Center (STAR) is a community wide, non-profit agency exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. STAR was incorporated on October 18, 2011 with the purpose of continuing the efforts of its predecessor, the Rape Crisis Center, which was a division of the District Attorney of the 19<sup>th</sup> Judicial District. STAR's mission is to support survivors of sexual trauma, improve systems response, and create social change to end sexual violence. STAR currently provides services to the Central, Capital, and Greater New Orleans Regions of South Louisiana.

*Basis of accounting*

STAR prepares its financial statements on the accrual basis of accounting. Under this method of accounting, revenue is recognized when earned or billed, and expenses are recognized when goods or services are received and the obligation for payment is incurred.

*Basis of presentation*

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). STAR reports information regarding its financial position and activities according to two classes of net assets as follows:

*Net assets without donor restrictions* - resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of STAR, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

*Net assets with donor restrictions* - resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

**A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

*Revenue recognition*

STAR utilizes the guidance in the FASB ASC in the assessment of whether revenue is an exchange transaction or contribution and considers factors including commensurate value received, reciprocity, and donor-imposed conditions. Contributions and grants are recorded as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When donor restrictions expire, that is, when the stipulated time restriction ends or the purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

Contributions and grants with donor restrictions that are both received and satisfied within the same year are recorded as an increase in net assets with donor restrictions and as a satisfaction of program restrictions.

STAR receives grant funding from federal agencies, state and local governments, and private sources. Excess expenses incurred are non-reimbursable to STAR. Advance payments from grantors are recorded as refundable advances until expensed for its intended purpose.

STAR recognizes revenue from customers when it transfers promised goods or services to its customers in an amount that reflects the consideration to which STAR expects to be entitled in exchange for those goods and services. To accomplish this, STAR applies the following five-step process to achieve this core principle:

- Identification of the contract with the customer;
- Identification of the performance obligations of the contract;
- Determination of the transaction price;
- Allocation of the transaction price to the identified performance obligations; and
- Recognition of revenue when (or as) an entity satisfies the identified performance obligations.

STAR receives program revenue for consulting services and professional training. Revenue for these services is recognized when the services occur.

*Revenue disaggregation*

STAR disaggregates revenue from contracts with customers into major revenue streams and based on the timing of recognized revenue. STAR's revenue disaggregated based on timing of the transfer of goods or services as follows for the year ended June 30, 2022:

Recognized at a point in time:	
Program service revenue	\$ 128,395

**A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)**

*Contract Balances*

Contract assets represent STAR's right to consideration in exchange for goods or services that have been transferred to the customer before payment is due. Contract liabilities include consideration due or paid by a customer prior to when STAR transfers goods or services and represents STAR's obligation to the customers.

*Payment terms*

The majority of STAR's program revenue is billed after the performance obligations transpire.

*Determination of the transaction price*

The transaction price of a contract is the amount of consideration to which STAR expects to be entitled in exchange for transferring promised goods or services to a customer. Transaction prices do not include amounts collected on behalf of third parties. To determine the contract price of a contract, STAR considers its customary business practices as well as the terms of the contract. For the purpose of determining transaction prices, STAR assumes that the services will be transferred to the customer as promised in accordance with existing contracts and that contracts will not be cancelled, renewed, or modified. Most of the STAR's contracts with customers have fixed transaction prices that are denominated in U.S. dollars and payable in cash.

In most cases, consideration paid for consulting services and professional training is refundable prior to the date of the event or service. Therefore, at the time the revenue is recognized, STAR does not estimate expected refunds for services nor does STAR exclude any such amounts from revenue.

*Advertising and Marketing Costs*

STAR expenses advertising and marketing costs when incurred.

*Use of estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Cash and cash equivalents*

For purposes of the statement of cash flows, STAR considers all unrestricted highly liquid investments with maturities of three months or less when acquired to be cash equivalents.

*Prepaid expenses*

Insurance and similar services which extend benefits over more than one accounting period have been recorded as prepaid expenses.

**A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

*Receivables and bad debts*

Management believes that all receivables are collectible in full, and therefore, no allowance for bad debts has been provided in the financial statements.

*Property and equipment*

Acquisitions of property and equipment in excess of \$500 are capitalized. Property and equipment are stated at cost less accumulated depreciation with depreciation being calculated on the straight-line basis over the estimated useful life of the assets as follows:

Leasehold improvements	20 years
Furniture and equipment	3-5 years
Machinery and equipment	5 years

When property is retired or otherwise disposed of, the accounts are relieved of the applicable cost and accumulated depreciation, and any resulting gain or loss is reflected in operations.

*Donated services*

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by STAR. These services are recorded, based on the fair value of the services provided, as in-kind contributions on the Statement of Activities and the Statement of Functional Expenses. Volunteer services are not recognized in the financial statements when the recognition criteria are not met.

*Contributed nonfinancial assets*

Donations of property and equipment are recorded as contributions at the fair market value on the date received. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, STAR reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. STAR reclassifies restricted net assets at that time.

*Income taxes*

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been included in the financial statements.

STAR accounts for income taxes in accordance with the income tax accounting guidance included in the FASB ASC. Under this guidance, STAR may recognize the tax effects from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by tax authorities.

**A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)**

STAR has evaluated its position regarding the accounting for uncertain income tax positions and does not believe that it has any material uncertain tax positions.

The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

*Compensated absences*

STAR allows employees to accrue unused annual leave subject to specified limits on the number of hours. Upon termination or resignation, the outstanding balance of unused leave is paid to the employee. An accrual of annual leave has been recorded in the accompanying financial statements.

*Functional expenses*

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs are charged specifically to a program or function and the remaining costs are allocated among programs, administrative and fund raising based upon estimates of staff time devoted to these functions.

*Description of programs*

The following is a description of STAR's programs:

*Advocacy* – STAR's advocacy services include 24/7 hotline support, hospital advocacy, criminal justice accompaniment, and crisis intervention services, which are provided to sexual trauma survivors in the aftermath of a sexual assault. These services drastically reduce survivors' experiences of trauma and give survivors the support that is needed to move forward with the daunting criminal justice process.

*Counseling* – STAR provides individual and group therapy to survivors aged 12 and older at no cost to help survivors move past the trauma of sexual assault.

*Legal* – STAR provides free legal services to survivors in need of assistance in the areas of education, employment, family law, housing, immigration, privacy, public benefits, victim rights, and safety.

*Social Change* – STAR also works to create social change to drastically reduce the epidemic of sexual trauma by raising awareness, providing education, building skills within the community to effectively prevent and intervene in sexual violence, and examining the root causes of sexual violence.

*New Accounting Pronouncement*

STAR adopted FASB ASU 2020-07, Not-for-Profit Entities (Topic 958), *Presentation and Disclosures of Not-for-Profit Entities for Contributed Nonfinancial Assets*. The ASU required a change in financial statement presentation and disclosure of contributed nonfinancial assets, or gifts-in-kind.

**B: CONCENTRATION OF REVENUE**

STAR receives a significant portion of its funds provided through government grants and contracts. Thus, its funding is vulnerable to changes in the legislative priorities of federal, state, and local governments. Significant among those are the following, reflecting their percent of total revenues provided during the year ended June 30, 2022:

U.S. Department of Justice (direct and pass through)	40%
--	-----

STAR also receives a significant portion of its funds through donations from private foundations. For the year ended June 30, 2022, contributions from one private foundation accounted for 13% of the total support and revenues.

**C: PROPERTY AND EQUIPMENT**

The following is a summary of property and equipment at cost, less accumulated depreciation as of June 30, 2022:

Leasehold improvements	\$ 33,035
Furniture and equipment	34,125
Machinery and equipment	207,748
Website and software	18,360
	<hr/>
	293,268
Accumulated depreciation	(186,335)
	<hr/>
	<u>\$ 106,933</u>

Depreciation expense was \$32,254 for the year ended June 30, 2022.

**D: CONCENTRATION OF CREDIT RISK**

STAR maintains deposits in a local financial institution with balances at times that may exceed the \$250,000 of insurance provided by the National Credit Union Insurance Fund. Management has placed these funds in a high-quality institution in order to minimize the risk. At June 30, 2022, STAR's cash balances exceeded insured limits by \$555,329.

**E: RELATED PARTY TRANSACTIONS**

STAR has entered into cooperative endeavor agreements with local governmental agencies which provided support totaling \$100,000. Each governmental agency has a representative on the Board of Directors. The funds provided through these agreements are without restrictions.

**F: NON-CASH INVESTING AND FINANCING ACTIVITIES**

There were no non-cash investing and financing activities during the year ended June 30, 2022.

**G: LEASE COMMITMENTS**

STAR leases office space in Baton Rouge, Alexandria, New Roads, and New Orleans, Louisiana under agreements that are classified as operating leases. The Baton Rouge office lease provides for monthly rent of \$9,956 and expires November 30, 2022. The Alexandria office lease provides for monthly rent of \$2,100 and expires October 31, 2022. The New Orleans office is month-to-month and provides for monthly rent of \$6,000 per month.

The lease expense under these agreements was \$216,672 for the year ended June 30, 2022.

The future minimum lease payments required under the operating leases are \$58,180 for the year ended June 30, 2023.

**H: CONTINGENCIES**

During the year ended June 30, 2022, STAR received \$1,177,271 in federal awards. Amounts received under these programs are subject to audit by the grantors and funding in excess of allowable costs, if any, may have to be returned to the grantor. Management is of the opinion that no material liability will result from such audits, if any, that may be conducted.

**I: LIQUIDITY**

The following represents STAR's financial assets as of June 30, 2022, reduced by amounts not available for general use because of contractual restrictions within one year of the statement of financial position date:

Financial assets at June 30, 2022	\$ 1,442,055
Amounts unavailable for general expenditures within one year, due to contractual or donor-imposed restrictions	<u>(449,989)</u>
	<u>\$ 992,066</u>

As part of the organization's liquidity management, STAR maintains sufficient cash balances throughout the year through the receipt of grants and donations.

**J: PAYMENT PROTECTION PROGRAM LOAN**

During the year ended June 30, 2020, STAR received \$280,900 in funds from the Paycheck Protection Program (PPP) under the CARES Act. The loan was fully forgiven during the year ended June 30, 2022 and is reported as other income on the statement of activities.

**K: NET ASSETS WITH DONOR RESTRICTIONS**

Net assets with donor restrictions consist of funds designated by donors or grantors for specific purposes or programs. As of June 30, 2022, amounts restricted to use for specific programmatic areas was as follows:

Greater New Orleans operations	\$ 343,462
Baton Rouge operations	75,000
Advocacy	21,527
Social change	10,000
	<u>\$ 449,989</u>

Net assets were released from donor restrictions by incurring expenses satisfying the purpose of restrictions specified by donors as follows for the year ended June 30, 2022:

Purpose restriction accomplished:	
Greater New Orleans operations	\$ 293,833
Baton Rouge operations	150,000
Advocacy	38,127
Counseling	31,394
Legal	1,500
Total restrictions released	<u>\$ 514,854</u>

**L: SUBSEQUENT EVENTS**

Subsequent events were evaluated through December 30, 2022 which is the date the financial statements were available to be issued.

*See notes to schedule of expenditures of federal awards.*

**SEXUAL TRAUMA AWARENESS AND RESPONSE CENTER**  
**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

*June 30, 2022*

**NOTE A—BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of STAR under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of STAR, it is not intended to and does not present the financial position, changes in net assets, or cash flows of STAR.

**NOTE B—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

**NOTE C—INDIRECT COST RATE**

STAR has not elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

The Board of Directors  
Sexual Trauma Awareness and Response Center

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Sexual Trauma Awareness and Response Center (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 30, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Sexual Trauma Awareness and Response Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Sexual Trauma Awareness and Response Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Sexual Trauma Awareness and Response Center's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Sexual Trauma Awareness and Response Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Sexual Trauma Awareness and Response Center's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT  
ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

The Board of Directors  
Sexual Trauma Awareness and Response Center

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited Sexual Trauma Awareness and Response Center's (STAR) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of STAR's major federal programs for the year ended June 30, 2022. STAR's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, STAR complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of STAR and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of STAR's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to STAR's federal programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on STAR's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about STAR's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding STAR's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of STAR's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of STAR's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**SEXUAL TRAUMA AWARENESS AND RESPONSE CENTER**  
**SUMMARY OF AUDIT RESULTS AND**  
**SCHEDULE OF FINDINGS AND QUESTIONED COSTS**  
*Year Ended June 30, 2022*

**A: SUMMARY OF AUDITOR'S RESULTS**

1. The auditor's report expresses an unmodified opinion on the financial statements of Sexual Trauma Awareness and Response Center.
2. No significant deficiencies in internal controls relating to the audit of the financial statements are reported in the "Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Governmental Auditing Standards*."
3. No instances of noncompliance material to the financial statements were disclosed during the audit.
4. No significant deficiencies in internal controls over compliance with requirements applicable to major federal award programs are reported in the "Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance."
5. The auditor's report on compliance for the major federal award programs expresses an unmodified opinion.
6. There were no reportable audit findings relative to the major federal awards programs for STAR.
7. The program tested as major programs is as follows:  
  
U.S. Department of Justice  
CFDA 16.524 – Legal Assistance for Victims
8. The threshold for distinguishing Types A and B programs was \$750,000.
9. STAR was determined to be a low-risk auditee.

**B: FINDINGS – FINANCIAL STATEMENTS AUDIT**

There were no findings that are required to be reported in this section of the report.

**C: FINDINGS AND QUESTIONED COSTS – MAJOR FEDERAL AWARD PROGRAM AUDIT**

There are no findings that are required to be reported in this section of the report.

**D: SUMMARY OF PRIOR YEAR FINDINGS – FINANCIAL STATEMENT AUDIT**

There are no findings that are required to be reported in this section of the report.
